Re: Pharmacy Manpower Task Force - Agenda

Attached is the agenda for the first meeting of the Pharmacy Manpower Task Force. The task force is a working group to ensure patient access to pharmacists' care and prescription services. The task force meeting is open to the public and interested parties attending the meeting will be encouraged and provided the opportunity to comment on each agenda item. If you are unable to attend the meeting and wish to provide written comments, please send these comments to my attention. They will be distributed at the meeting.

Also included is a public roster of the task force members. It is anticipated that the task force will meet approximately four times to complete its assignment. The meeting dates are April 27, 2001, July 24, 2001 and October 16, 2001. The goal is to provide the Board of Pharmacy with a final report in January 2002. The board has contracted with Mr. Lindle Hatton to facilitate these meetings.
